

AP Physics Summer Work

Each of these is counted as a separate assignment so please do them on separate sheets of paper.

Due the first day of school:

- Read Prefix and Appendices A, B, C and E
- Read and take notes for chapter 1
- Answer conceptual questions 1-20 the odd numbers for chapter 1
- Solve Problems 1, 3, 4, 15, 23, 39, 47 for chapter 1
- Solve Problems 2, 6, 14, 24, 38, 46 for chapter 1
- Read and take notes for chapter 2

Be prepared for a quiz on chapters 1 and 2 the second day of school in the fall.

My email address is gphillips@agawamteachers.org

I will try to check my messages weekly. If you email me labor day weekend I will probably not get back to you so get the work done ahead of time.

Have a great summer,

Mr. Phillips
