

School Points Programs

The AJHS is currently participating in the following programs:

Stop & Shop A+ Bonus Bucks Program

Points accrue with each purchase that uses the Stop & Shop card. It also works with online and Peapod Stop & Shop purchases. These points can be used for educational equipment and cash for our school. Our school number is *05151*. Access <http://stopandshop.com/aplus> for more information.

Coke Rewards®

To donate to the *Coke Rewards for Schools Program* simply collect the participating Coca Cola products bottle caps with codes, go to the *Coke Rewards®* website, and select our school to enter the points. Points can accumulate for the purchase of textbooks, sports equipment, and creative supplies. Access www.mycokerewards.com/schools for more information.

Target Take Charge of Education®

To donate to our school just use your RedCard when making purchases. You can also go to any of the Target customer service desks for help. Access http://sites.target.com/site/en/corporate/page.jsp?ref=nav_footer_TCOE&contentId=PRD03-001825 for more information.
