

# PHELPS FIELD DAY 2010

**Grades 1 through 4**  
**June 8, 2010 (rain date June 9)**

We are planning a fun-filled field day for our great Phelps kids who have worked and studied hard all year long. We will need your help to make this a great day, so please review the following schedule and list of jobs we need to fill.

11:30 – You share a picnic lunch with your child behind the school. The lunch can be anything you choose (McDonald's, Subway, sandwiches.....) Don't forget to bring blankets, chairs, sunscreen and any other picnic essentials. The school cafeteria will provide bag lunches for students who order them.

12:05 – Game Time!! The Field Day Committee has planned eight different and fun events for the kids to enjoy. We need many volunteers to help with each event.

The day concludes with the traditional tug-o-war. All grades will be competing for the prestigious "tug-o-war trophy" for their teacher to display and of course that grades bragging rights!!!

The children will be provided with freeze pops, watermelon and plenty of water. In addition each child will receive the official Phelps School Field Day 2009 stadium cup.

At least one adult room monitor is needed to travel with each class throughout the afternoon. The children and room monitors should wear the shirt color assigned to their grade:

1<sup>st</sup> – ORANGE      2<sup>nd</sup> – GREEN      3<sup>rd</sup> – BLUE      4<sup>th</sup> – RED

Many volunteers are needed, so we are asking you to take time to make this day successful. Maybe you have been trying to help out throughout the year and just haven't been able to, so now is your time. Please fill out the following sign-up sheet and let us know how you can help.

**Room Monitor:** travels with designated class throughout the afternoon. The Room Monitor keeps the class together, moves the class from one event to the next (on the siren) and assists the Event Coordinator as needed.

**Event Coordinator:** runs the activity in the assigned area, keeping the game on schedule. The event will be planned and set-up in advance.

**Snack Stand Monitor:** hands out water, freeze pops and watermelon at snack time.

A meeting will take place on June 8, 2010 @ 10:30 a.m. on the field for all volunteers to meet and review the activities and their responsibilities. If you have any questions, please contact Jack Patterson @ 786.0342 or 478.1042 or jackpatt@comcast.net.

**<<NO FOLLOW-UP CALLS WILL BE MADE, IF YOU SIGN UP, YOUR HELP IS NEEDED>>**

.....  
detach and return to your child's teacher by May 21<sup>st</sup>
