PHELPS FIELD DAY 2010

Grades 1 through 4
June 8, 2010 (rain date June 9)

Field Day is fast approaching on June 8th and we need your help.....

We have several opening for event coordinators, snack stand monitors and set up and breakdown. We also have a need for room monitors in rooms 2, 5, 9. This wonderful day for your child cannot be possible without help from great parents like you. Maybe you have been trying to help out throughout the year and just haven't been able to, so now is your time.

At least one adult room monitor is needed to travel with each class throughout the afternoon. The children and room monitors should wear the shirt color assigned to their grade:

1st – ORANGE 2nd – GREEN 3rd – BLUE 4th – RED

Please fill out the following sign-up sheet and let us know how you can help.

Room Monitor: travels with designated class throughout the afternoon. The Room Monitor keeps the class together, moves the class from one event to the next (on the siren) and assists the Event Coordinator as needed.

Event Coordinator: runs the activity in the assigned area, keeping the game on schedule. The event will be planned and set-up in advance.

Snack Stand Monitor: hands out water, freeze pops and watermelon at snack time.

A meeting will take place on June 8, 2010 @ 10:30 a.m. on the field for all volunteers to meet and review the activities and their responsibilities. If you have any questions, please contact Jack Patterson @ 786.0342 or 478.1042 or jackpatt@comcast.net.
