In case you missed it, the 9th Annual Tournament of Rosie is coming up *FAST!* The tournament is being sponsored this year by Agawam Robotics Education Association, Inc, the official leader in *FIRST Robotics* programming in Western Massachusetts.

The tournament is our largest fundraising activity of the year and provides funds to assist in bringing quality educational experiences to students of all ages, from the JrFLL program all the way up to the FRC team, Rosie Robotics at Agawam HS. It typically takes 10's of thousands of dollars to run a quality program and although the Agawam school district does provide some funding and facilities, most of the resources are raised through corporate sponsors, community fund-raising events and private donations. For more detailed information on how the monies are allocated, please feel free to email me back.

When: 19 June 2010, 1st tee is a 9:30am

Where: Agawam GC (Southwick St)

Cost: \$85pp includes golf, cart, lunch and bbq dinner

Format: 4 person scramble

Ads for our ad book are on sale as well. Be a "Friend of Rosie" for \$10, buy a business card ad for \$25, half page for \$50, full page for \$80 or a Tee sponsor for \$100 (includes half page in the ad book)

For more information please call or email soon!
