... a note from the PTO President:

Dear Robinson Students and Families,

As the end of the school year comes to a close, we want to thank you all for a terrific year.

The students have worked hard and enjoyed many extra events - during and after school hours. From the fun Harvest Fest, math night, literacy week, bingo & ice cream nights, art exhibit at the public library, our first (and very successful) science fair to the huge increase in the number of students passing the President's Physical Fitness Challenge - from roughly 34 students to over 150! And everything else in between.

We have a very dedicated staff who work hard to round out the students in curriculum, as well as, fun projects (our Kinder Garden and the annual Titanic Tea - to name just two). Just as important, we have dedicated families. You support your children at home and at school by helping with their homework, clipping box tops, participating in our fundraisers and even something as simple as helping your child remember their costume during literacy week. It takes a lot of work, from many people, to help make our children the very best they possibly can be.

As I step down as President, I am very proud of all that we have accomplished as a PTO for Robinson Park School. We have expanded family gatherings, supported additional projects in the school, continued enrichment (even two small field trips), worked closer with staff and families and increased our volunteer base. We had so many parents and family members step up in a variety of different roles. Your support made such a positive difference. Thank you very much!

I wish you all a safe, happy and healthy summer.

Karen
